

The background features a dark teal color with several overlapping, semi-transparent geometric shapes in lighter teal, orange, and yellow. The shapes are arranged in a way that creates a sense of depth and movement, with some appearing as if they are floating or layered on top of others.

# Hawk Communications App

CCP Workshop  
October 24, 2023

# Hawk Communications App

- ▶ 5 things key things about the Hawk Communications App

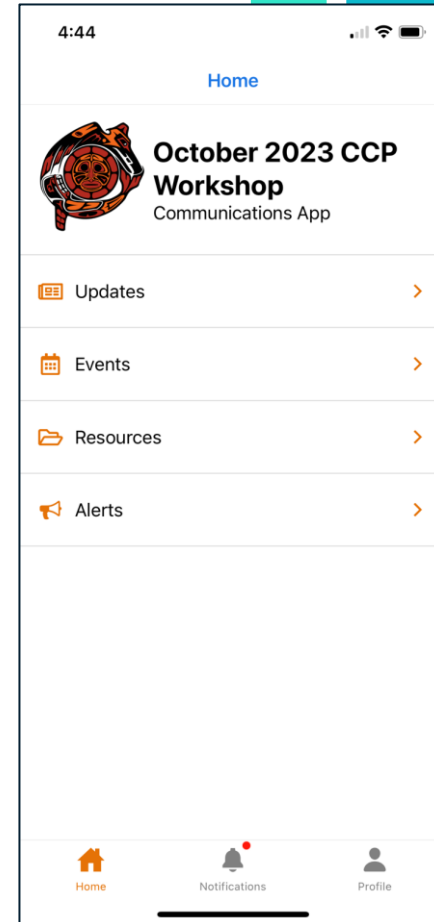

# Hawk Communications App

1. Idea emerged from series of technology engagement sessions with Naut'sa mawt Tribal Council (NmTC) members and was configured on eInsight's web and mobile platform. Hawk Solutions was born!

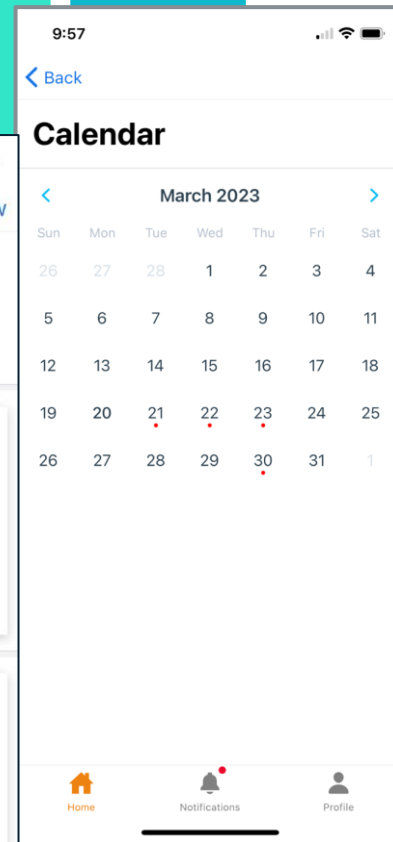

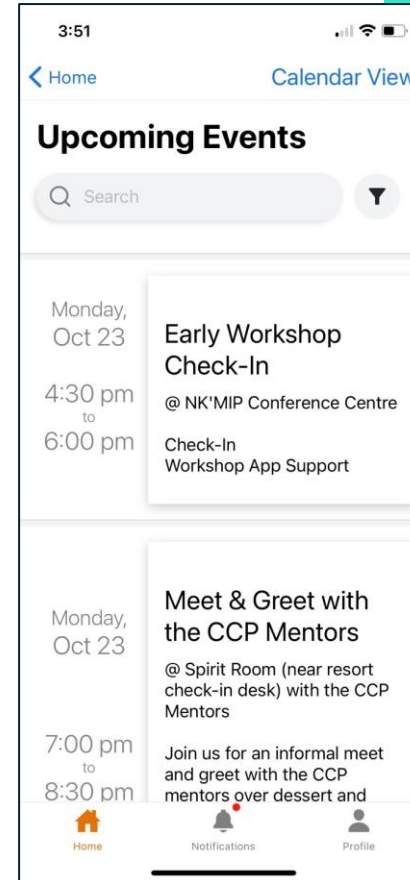

# Hawk Communications App

2. Designed for First Nations and Indigenous support organizations to communicate more effectively with their members by sharing: **updates, events, resources, forms, and alerts.** New modules focus on emergency communications and networking.

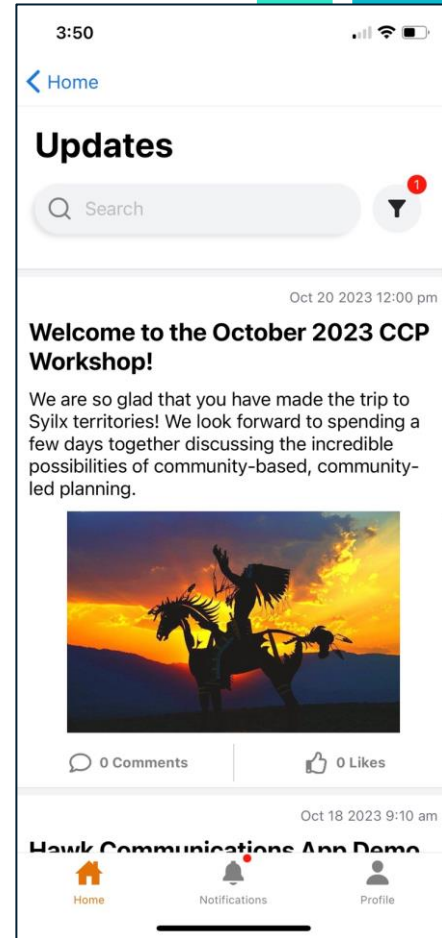

# Hawk Communications App

- NmTC has received funding through ISC to make the App available to 100+ First Nations and Indigenous support organizations across Canada at no cost until at least March 2026.

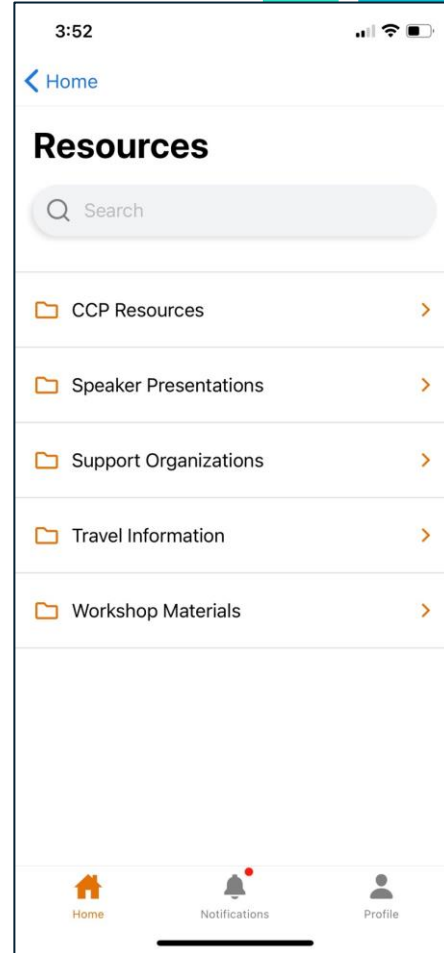

# Hawk Communications App

4. We are using the App at the CCP Workshop, so that you can get a sense of how it works and see how it might streamline communications with your own members.

# Hawk Communications App

- Interested in learning more? Sign up for a one-hour demo on October 31, November 14 or 28 by completing the form in the Updates section of the app (or by signing up at the Hawk Solutions table).

# Communications App

## *Download Now*

- ▶ Download “Hawk Communications” from App Store or Google Play Store.
- ▶ Registered participants have already been pre-approved, so simply enter your email address and password “Ccp2023!” to log in.
- ▶ If you already have an account on the app, change your profile to October 2023 CCP Workshop under “Profile” and “My Profiles”.
