FNPS Webinar Wednesdays feature speakers on topics of current interest and relevance to BC First Nations administrators and elected leaders. FNPS holds one session per month, weeks may vary. These sessions are based on First Nation to First Nation learning and are a key element of the FNPS Mentorship Network. ### VIRTUAL MANAGEMENT TRAINING ACADEMIES

Our Management Training Academies (MTAs) aim to help participants return to their organizations with capacity enhancing strategies they can implement immediately. MTAs provide tools and training specifically tailored to BC First Nations needs from experts in the core competencies: Records and Information Management (RIM), Policy Development, Human Resource Management (HR), and Financial Management. FNPS will continue to deliver MTAs in the 2020 fiscal year, however, due to COVID-19, all MTAs are expected to be delivered virtually. FNPS is committed to the safety and learning of participants, and is working hard to ensure that the MTAs are engaging, and meaningful learning opportunities that adhere to public health guidelines.
